

## ALPHABETICAL LIST OF REFERENCES

The references cited in the individual sections of this report are compiled here. Bracketed letters indicate the sections in which the citation appears as follows.

[BFD]	Buffer function and design
[RBS]	Factors affecting stream and river bank stability
[LWD]	Large woody debris
[PSS]	Permafrost and silty soils
[WFU]	Winter fish use of glacial streams
[FUU]	Fish use of upwellings
[ITB]	Ice thickness and ice bridges.
