**Notice for Public Review:
2022 Northern Region Five-Year Schedule of Timber Sales**

The Division of Forestry (DOF) invites public comment on the proposed 2022 Five-Year Schedule of Timber Sales (FYSTS) for the Northern Region, including Fairbanks, Delta, and Tok Areas. The schedule includes proposed timber sales for fiscal years 2022 to 2026, per AS 38.05.113. The 2022 FYSTS is a scoping document that outlines proposed timber sale activity to be undertaken on Tanana Valley State Forest and other State land over the next five years; it is not a decision document.

The draft of the Five-Year Schedule is available at:

<http://forestry.alaska.gov/timber/fiveyearschedules>. Physical copies are available at the Fairbanks, Delta, and Tok DOF offices. Overview maps are included for each of the five years. Individual sales may be viewed using the Alaska DNR Forestry Resources Viewer web app (<https://arcg.is/1uSuuy0>). Instructions for the online viewer are included within the FYSTS document.

Interested parties can always contact Division of Forestry for assistance with obtaining necessary information to understand, interpret, and/or provide comment on the proposed Five-Year Schedule. Comments may be made in writing (e.g., email, post), or verbally (e.g., phone, in-person to Forestry staff).
