FAX: (907) 451-2690*

February 4, 2011

Dear Aircraft Operator,

The Division of Forestry is currently updating its list of available aircraft in expectation of this year's wildland fire season. General information regarding this process is available at: <http://www.dnr.state.ak.us/forestry/aviation/rental.htm>

The conditions which govern this Emergency Aircraft Rental Offer Procurement are contained within the "Aircraft Rental Conditions 10-3134", a copy of which is available at: <http://www.dnr.state.ak.us/forestry/pdfs/aircraftcoh.pdf>.

If you wish to submit an updated (2011) offer for aircraft services, please fill out, sign and mail the "Aircraft Rental Form 10-3135".

<http://www.dnr.state.ak.us/forestry/pdfs/aircraftoffer103135.pdf>.

You may also use the attached word document, fax to (907) 451-2690 or e-mail the form with your signature to robert.mcalpin@alaska.gov. Please have the signed form into our office prior to April 15th.

State of Alaska
Division of Forestry
3700 Airport Way
Fairbanks, AK 99709
ATTN: Bob McAlpin robert.mcalpin@alaska.gov

As specified in the rental offer, no specific obligation is assumed until the offeror is contacted with a Aircraft request by a DOF, Forestry dispatcher.

Flight crew and aircraft must possess the appropriate carding with USDI (AMD or USDA (Forest Service) for use by the Division of Forestry.

If you need additional information regarding the Division of Forestry's aircraft rental offer program, contact Bob McAlpin at (907) 451-2691.

Sincerely,

Bob McAlpin
