

# 2021 Arbor Day Grant Application

Alaska Community Forest Council

PO Box 241282, Anchorage, Alaska 99524 / 907-786-6315 / <http://forestry.alaska.gov/community/council>

---

**Submit applications e-mail ([gagraziano@alaska.edu](mailto:gagraziano@alaska.edu)), or at the above address.  
Applications are reviewed quarterly beginning in March.**

1. Applicant: \_\_\_\_\_
2. Tax I.D. #: \_\_\_\_\_ e-mail \_\_\_\_\_
3. Contact person: \_\_\_\_\_ Position/title: \_\_\_\_\_
4. Address: \_\_\_\_\_
5. Telephone (work/home/fax): \_\_\_\_\_
6. Signature of person responsible for expenditure of grant funds: \_\_\_\_\_
7. Attach a 1-page description of your proposed project.
8. Grant amount requested: \_\_\_\_\_
9. How will grant funds be spent?
  
10. Describe the plan to make your project an Arbor Day event and celebration.

**Tree Planting** Complete 11-17 only if you are applying for a grant to plant trees.

Refer to "Plant a Tree: An Alaska guide to tree selection, planting & care"

(<http://forestry.alaska.gov/Assets/pdfs/community/publications/plant%20a%20tree%20web.pdf>) and the Landscape Plants for Alaska (<http://alaskaplants.org/>) for selection and planting information.

11. Attach a one-page drawing (or aerial map, such as Google) for each planting site. Show a north arrow and approximate scale (for example, 1" = 20') and location of:

- species of each tree or shrub to be planted
- trees and shrubs presently on or near the planting site
- fences or retaining walls near the planting site
- power lines, underground utilities, and road or utility easements near the planting site
- buildings, streets, parking areas, sidewalks, trails, etc.
- property boundaries, if near the planting site
- drainage patterns, streams, bogs, and/or areas subject to flooding
- snow storage areas

12. Address or location of planting:

13. Land manager (e.g., borough or city):

14. Identify the trees and shrubs you plan to plant or let us know if you need help selecting them:

Species (botanical & common name)	Number	Height & Caliper
-----------------------------------	--------	------------------

15. Maintenance plan: Proper care is very important especially in the first three years after planting. What will be done, by whom, and how often?

16. Person responsible for caring for trees for three years:

Name/Title \_\_\_\_\_ Telephone \_\_\_\_\_

Signature \_\_\_\_\_ Agency \_\_\_\_\_

17. Permission to plant and maintain trees at this location provided by:

Name/Title \_\_\_\_\_ Telephone \_\_\_\_\_

Signature \_\_\_\_\_ Agency \_\_\_\_\_
