

2009 – 2013 Tok Area Five Year Schedule of Timber Sales

**Taylor Complex Salvage Logging Potential
Taylor Hwy Block - Porcupine Fire**

NOTE: All land status within this salvage block is Tanana Valley State Forest or State Land designated for Forestry except for the portion noted as owned by Tanacross Corporation.

Timber volumes and White Spruce stand delineations were taken from the 1985 Tanana Valley State Forest Inventory. There may also be salvage opportunities in the mixed spruce/hw stands, but this survey concentrated on the pure spruce stands.

1 inch equals 0.5 miles
