

treerific

A N C H O R A G E

treerific Anchorage is a community group with a mission to enrich our community through the planting, caring and promotion of trees. Anchorage is blessed with wonderful parks, beautiful trails and amazing access to forests. Yet many of Anchorage's trees have been lost to development and roads. In addition to replacing those lost, we also must care for those that we have.

Are you interested yet? If you would like to get involved with trees in Anchorage, there are a lot of ways for you to participate with our group.

Show up at one of our meetings to share your thoughts.

Learn more about trees and forests at one of our field trips or educational presentations.

Help plan for our next event or tree planting.

Stay informed so you'll always be in the know about what events are coming up.

We are a community group that relies on volunteers. We'd love to have you join us!

**How do you reach us? Email:
TREErificAnchorage@yahoo.com**

treeErific Anchorage has organized tree planting and educational events throughout Anchorage since 2004.

We use grants and donations to purchase trees and materials. Volunteers select trees, design layouts, and invite neighbors to participate on planting day.

TREErific includes arborists, foresters, and Tree Stewards who demonstrate the latest techniques for planting, pruning, and caring for trees. Volunteers learn skills they can use in their home landscapes.

We commit to care for every tree we plant. Trees need to be watered, weeded, pruned, and protected from moose. You can help ensure that our trees live long, healthy lives and benefit many generations to come.

join us

-  *Participate in a field trip and learn about Anchorage native trees and forests, introduced species, tree insects and diseases, and invasive plants.*
-  *Hear experts talk about fruit trees, evergreens, landscape design, tree pests, selecting and planting trees, planting for birds, and other tree topics.*
-  *Make friends, get exercise, learn new skills, and make Anchorage a better place to live.*
