Instructions for applicants: Please complete the entire form. Proposals will be scored by a grant review committee and points awarded for each of the following categories. Applications must score a minimum of 70 points to be considered eligible for a grant. Include separate attachments with your application if needed. Funds for this program are made available through the USDA Forest Service and administered by the Alaska Department of Natural Resources, Division of Forestry & Fire Protection (DFFP) Community Forestry Program.

1. Proposal Content

1.1. Organizational Information (10 Points): Provide a brief description of the organization. Identify project leaders and participants, and the responsibilities of involved parties.

1.2. Project Overview (10 Points): In a few sentences, describe the project goal(s) and scope of work to address the existing problem.

1.3. Partnering Organizations (10 Points): Identify partnering organizations for this project and their proposed contributions. Grant applications that include partnerships between local governments and local or regional non-profits are encouraged.

1.4. Project Details and Activities (20 Points): Refer to section 5.1 of the grant instructions for instructions on how to complete this section. Include maps and drawings of the project location(s). Be sure to refer to the instructions for the grant opportunity that you are applying for (Green Infrastructure, Streambank Restoration, Invasive Trees, Phytoremediation).

1.5. Project Timeline (5 Points): Provide a timeline of planned activities, deliverables, performance measures, events, etc.

2. Deliverables:

- Applicant acknowledges that they are required to submit quarterly reports and a final report following project completion to DFFP documenting the activities undertaken, barriers and lessons learned, maps and other relevant graphics, and the deliverables and outcomes achieved.
- Applicant acknowledges that they are required to report accomplishments for the periods ending June 30 and December 31 to the public facing Trees at Work reporting dashboard.
- Applicant acknowledges that if they issue formal news release it must first be approved by DNR staff and include appropriate recognition of DFFP and the USDA Forest Service.
- Successful grantees acknowledge that upon project completion, they will provide a short article telling the story of their project, with references to DFFP and the USDA Forest Service, local project partners, location, purpose, and outcomes, as well as provide 1-2 high quality images to accompany the article.

2.1. Outcomes (10 Points): Provide a bulleted list of expected outcomes for the project and relate your outcomes to the project timeline. Outcomes are qualitative indicators of project success.

2.2. Metrics (10 Points): Provide a bulleted list of metrics. Metrics are quantitative measures by which to evaluate project success. Include a description of how you will measure your metrics and track progress.

3. Budget:

Proposed Expenses (25 Points): Complete the supplied Budget Form A. You may include your own detailed planning budget to supplement Form A, but it will not be allowed as a substitute for Form A.
