**Notice for Public Review:
2024 Tok-Copper River Five-Year Schedule of Timber Sales**

The Division of Forestry & Fire Protection (DOF) invites public comment on the proposed 2024 Five-Year Schedule of Timber Sales (FYSTS) for Tok-Copper River. The schedule includes proposed timber sales for fiscal years 2024 to 2028, per AS 38.05.113. The 2024 FYSTS is a scoping document that outlines proposed timber sale activity to be undertaken on Tanana Valley State Forest and other State land over the next five years; it is not a decision document.

The draft of the Five-Year Schedule is available at:

<http://forestry.alaska.gov/timber/fiveyearschedules>. Physical copies are available at any Area DOF offices. Overview maps are included for each of the five years.

Individual sales may be viewed using the [Alaska DNR Forestry Resources Viewer](#) (scan QR code below, or search in web browser). Instructions for the online viewer are included in the FYSTS document.

Interested parties can always contact Division of Forestry for assistance with obtaining necessary information to understand, interpret, and/or provide comment on the proposed Five-Year Schedule. Comments may be made in writing (e.g., email, post), or verbally (e.g., phone, in-person to Forestry staff).
