PUBLIC REVIEW FIVE-YEAR SCHEDULE OF TIMBER SALES

Copies of the DNR-Division of Forestry and Fire Protection (DOF) 2024-2028 Five-Year Schedule of Timber Sales for the Coastal Region's Mat-Su Area are available for public review. This document is a scoping document that outlines the proposed timber sale activity to be undertaken on State land over the next five years. This document is not a decision document.

The public is invited to comment on any aspect of the Five-Year Schedule of Timber Sales. Comments concerning the proposed timber sale areas need to be received no later than close of business on Friday, September 20, 2024. This document can be reviewed at the DOF office in Palmer. The document may be found on the web at the State of Alaska's on-line public notice website <http://aws.state.ak.us/OnlinePublicNotices> as well as the Division of Forestry and Fire Protection's website <http://forestry.alaska.gov/timber/fiveyearschedules>

Once each sale is prepared and ready for review, notice of a proposed decision and the opportunity for public comment will be given for that specific timber sale, as is required under State Statute and Regulation.
