## General Land Status

- BLM (State Selected)
- State of Alaska within SUD boundary
- Federal Mining Claims
- Chilkat Bald Eagle Preserve<sup>2</sup>

## Boundaries

- SUD (Haines Area)

## Flight Minimums

- Min. 1500 ft. above land
- Min. 5000 ft. above MSL

## Allowed Areas for Heli-Skiing<sup>3</sup>

- February 1 to April 30<sup>4</sup>
- February 1 to March 31<sup>4</sup>

1 This SUD only applies to commercial helicopter operations that land on state land. Landings on federal land requires authorizations from the Bureau of Land Management. This SUD affects commercial helicopter tours and heli-skiing operations. See SUD for specifics of application.

2 The landing of commercial helicopters within the Chilkat Bald Eagle Preserve is not governed by this SUD; see the Chilkat Bald Eagle Preserve Management Plan for the Specifics of the restriction. (Landings are not allowed within the Preserve and there is a 1500' flight minimum.)

3 Except for these areas, heli-skiing is prohibited. Allowed areas are designated to avoid sensitive mountain goat habitat as determined by survey transects flown by the Bureau of Land Management and the Alaska Department of Fish and Game.

4 Except as noted in the SUD.
